Mentor Training

INSTITUTE *on* COMMUNITY INTEGRATION

UNIVERSITY OF MINNESOTA

Check & Connect Mentor Training is a 2-day competency-based training for mentors. See schedule of upcoming trainings offered at the University of Minnesota St. Paul campus at z.umn.edu/cnctrainings.

Training objectives

This training provides you with information, competencies, and skills needed to be an effective **Check & Connect mentor** at your site. You will learn and understand —

- Core components and elements of Check & Connect
- Role and expectations of the Check & Connect mentor
- Population of students they are mentoring and how to best meet their needs
- How to implement the "Check" and "Connect" procedures with fidelity
- Competencies and skills needed to be an effective mentor, such as building relationships with students, families, and school personnel; using data to determine interventions; reflective listening; and problem-solving.

Who should attend

This training is designed for those assigned the role of Check & Connect mentor, whether a new or current mentor, as well as those interested in Check & Connect mentoring principles and practices. Site coordinators and administrators are encouraged to attend as well.

Host a training

If you have less than 10 staff to train and would like to host an open enrollment Check & Connect training in your city, email us at checkandconnect@umn.edu or call toll-free +1 (866) 434-0010.

Training materials

Participants receive a copy of the Check & Connect manual, printed resource materials, and access to electronic implementation forms.

The Check & Connect implementation manual walks readers through the Check & Connect implementation process, outlining the key components, describing the steps of implementation, and presenting the underlying theories and research, including the four types of student engagement (academic, behavioral, cognitive, and affective) and the importance of intervening both directly with students and indirectly through enhancing students' home and school contexts. Additionally, the manual provides guidance on options for implementing Check & Connect with fidelity to its principles and strategies, while also responding to local school and community contexts.

Training Fee

\$625 per participant, or **\$595** if registering before the early bird deadline.

(See website for registration deadlines.)

Request on-site training

If you have 10 or more staff to train, it's often more economical to have our trainer come to your site. Request a price quote at checkandconnect.umn.edu/inquire.html, checkandconnect@umn.edu, or +1 (866) 434-0010.
